W E L C O M E

Member Boards Connect 2026

Emily Banik, MA, PMP

Chair, Self-Assessment and Lifelong Learning Program Manager

American Board of Family Medicine

Share your contact info

Meet someone great? Keep the conversation going.

Make your attendee profile visible in the ABMS Conference App so the conversations you start at Member Boards Connect 2026 don't end when the session does.

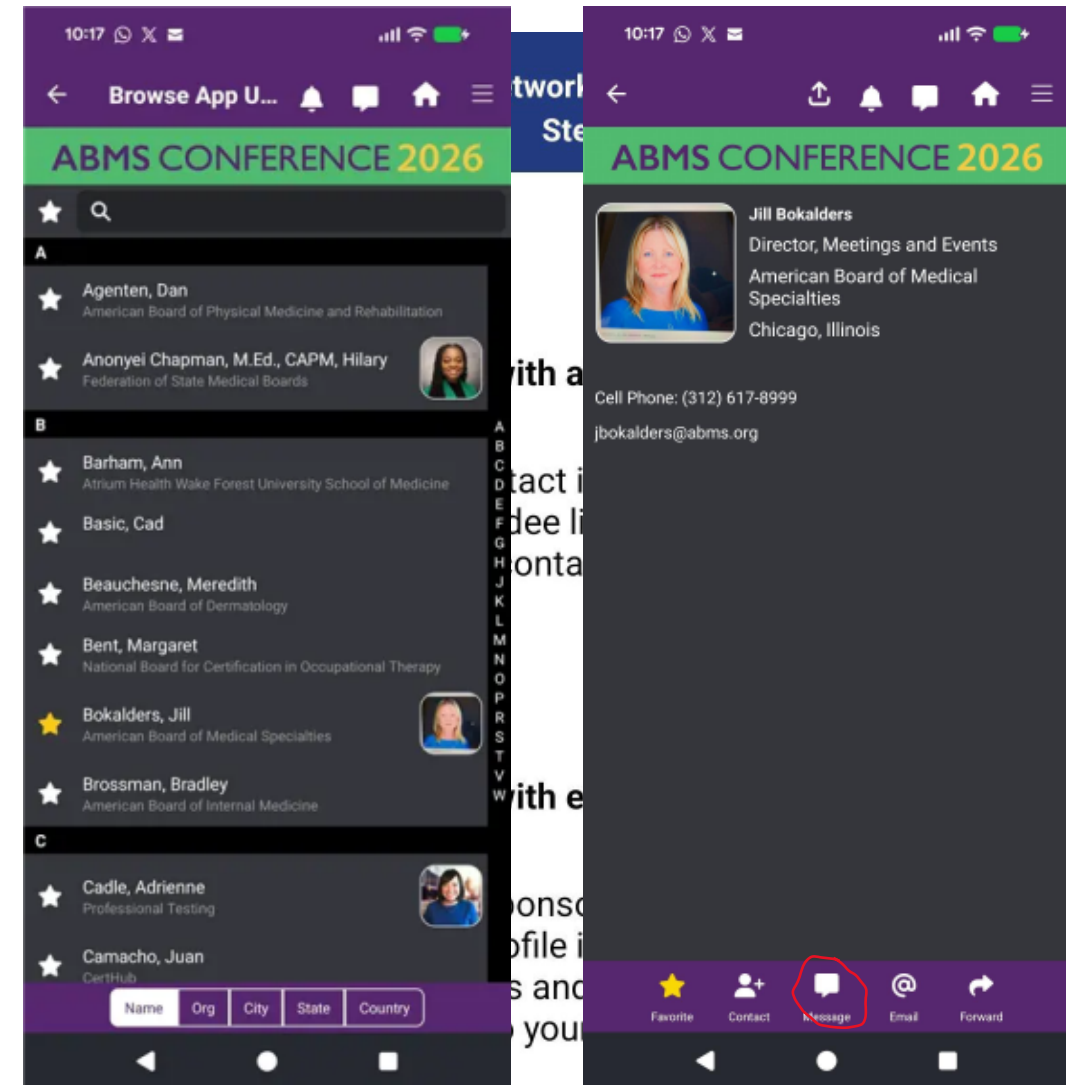

Why share your profile

- Be easy to find — it's your digital business card in the conference hallway
- Let new contacts follow up long after the session ends
- Build lasting connections across Member Boards
- The more of us who opt in, the more valuable the experience is for everyone

How to reconnect

- Find them in the App
Search by name and open their profile.
- Connect
Use the contact info in their profile to reach out by email.
- Make it personal
Mention where you met or what you discussed.

**Show your profile. Find your people.
Keep the conversation going.**

Member Board staff and leadership

Shape what CertNet does next

- CALL FOR VOLUNTEERS: CertNet Planning Advisory Group
- Influence the topics, speakers, and formats
- Bring your board's perspective to the table
- Build connections across Member Boards
- Just 4–6 hours a year: one planning meeting plus a check-in or two
- All Member Boards welcome — new voices especially
- Sign up: Send your name, board, and one sentence on why to Mary Taylor-Blasi, mtaylor-blasi@abms.org

HOW IT RUNS

Three rounds, 10 minutes each

Round 1

10 MINUTES

Partner with the person on your right.

Round 2

10 MINUTES

Partner with the person on your left.

Round 3

10 MINUTES

Partner with the person across from or behind you.

Same prompts every round — new partner each time. A 15-minute group report-out follows.

Discussion prompts

- Find three things you have in common with each other.
- What is one project or idea you are excited to talk about today?
- What is one challenge you are thinking through that others here might relate to?
- What kind of connection, resource, or conversation would be most valuable to you?

Common ground, for example: speaks another language, pet owner, born outside the US, loves coffee, a book or show you both love.

REPORT-OUT

15 minutes, full group

Volunteers share who they met, what that person does, and one goal, challenge, resource, or connection need that came up.
